

Trainee Bursary Funding Available

For: PG Certificate in Education/PG Diploma/Masters in Medical Education

How do I apply?

If you would like to apply for Trainee Bursary Funding, please follow the application process steps set out below.

The application form can be found at the following [address](#) or via the QR Code at the top of the page.

Who is it available to?

This scheme is designed for current trainees who are aspiring to become leaders and educators of the future in the east of England.

Applications are open to F2 level and above and need to be supported by your Head of School.

Application Process

Step 1:

Trainees are first expected to discuss their bursary application with their Head of School.

Step 2:

Applicants should have **applied to and been accepted** on a course run by a University in the east of England to commence between April 2016 and March 2017.

Step 3:

Complete and send the form to Head of School, along with your University acceptance letter (this should include course dates and cost).
